Board Members present included Vice President Linda Parsons, Treasurer Bebe Webb and Secretary Frances Ryan. **Meeting Minutes:** Linda gave everyone the opportunity to read the minutes from the meeting of March 1<sup>st</sup>, 2025. Kelly Arciniega made a motion to approve the minutes. Debbie Sunday seconded the motion, and the motion passed.

**Treasurers Report:** The Treasurer's report was distributed and read by everyone present. Darlene Saggs made a motion to approve the Treasurer's report. Debbie Sunday seconded the motion, and the motion passed.

**Topics Discussed:**

Speeding in the Neighborhood. If you see someone speeding in the neighborhood that is not a resident call the Walker County Sheriff's office to report. If the person who is seen as speeding is a resident write up a report and send it to the board with the license plate number. This will be addressed with the individual. We all need to drive at or under the posted speed limits.

Dam update-Binkey gave an update that he provided Trey Wharton's office with the packet that was put together seeking funds to help with the repairs needed. We are expecting some feedback within a week or two. Exploring state assistance and grants. Due to other obligations, Amie cannot head up the grant committee to study these options. No one else volunteered during the meeting. There was additional discussion of special assessments for the Dam and speaking to the developers about helping with funds for the Dam repair. If anything happens to the Dam it will affect all of us.

Roads and drainage were discussed. On the small lake there is water draining off the roads onto property which causes problems for the property owner.

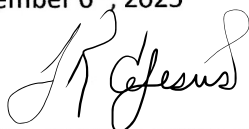

We gave a big thank you to all residents who volunteer their time for our community. Some if not all included Stanley, Wendy, Jerry, Binky, Steve, Micheal, Carol, Mike, Debbie, Keith, Amie and the Fix family for rescuing Keith's boat after a storm. Is there anyone else we can acknowledge with a big thank you!

Linda reminded everyone to lock their vehicles at night.

The Meeting was adjourned at 11:04am.

Next meeting will be- September 6<sup>th</sup> 2025
